

H44 Stratotone Repro Pickguard
 Repro Goldfoil + Switchcraft Switch Version
 05/14/2016

Notes:

1. Intended mounting screws are #4-1/2 pan head screws. Or you can counterbore and use #4 oval head screws.
2. Drawn to fit Chinese import "gold foil" bridge pickup and Switchcraft Jaguar switch.
3. Overall shape is approximate, may not fit a real H44.
